Approval: Deliberation CPG / FCM 019/17

The graduate Program in Internal Medicine of the School of Medical Sciences of the State University of Campinas makes public the opening of applications for the Selective Process for admission in the second semester of 2017 in the Master and PhD courses.

I - OF THE RESEARCH LINES ON WHICH PROJECTS SHOULD BE LINKED

1.1. Concentration Area:

1.1.1. Internal Medicine:
   - Clinical and Molecular Dermatology
   - Development of Pharmacoactives Compounds
   - Clinical and Molecular Endocrinology
   - Clinical and Molecular Gastroenterology
   - Clinical and Molecular Hematology
   - Clinical and Molecular Immunology
   - Clinical and Molecular Aspects of Infectious Diseases and Microbiology
   - Clinical and Molecular Nephrology
   - Clinical and Molecular Oncology
   - Clinical and Molecular Pneumology
   - Cardiovascular System
   - Muscular, Articular, Skeletal and Connective Tissue Diseases
   - Cell Infusion and Organ Transplantation
   - Central and Peripheral Nervous System and Neurological Disorders

II – OF TARGET AUDIENCE

2.1. Masters: graduated professionals, with a background or experience in the health area.

2.2. PhD: professionals with a master’s degree and experience in the health field

   2.2.1. Registration for direct PhD’s will be accepted, provided they are approved by the Program Committee as set forth in item VI of this announcement.

III – OF THE VACANCIES

3.1. The following vacancies will be offered:

   3.1.1. Masters up to 28 vacancies;

   3.1.2. PhD up to 20 vacancies;

   3.1.2.1. Up to 10 vacancies for candidates who are graduates of the Graduate Program in Internal Medicine;

   3.1.2.2. Up to 10 vacancies for candidates from other programs.

IV - OF THE APPLICATION

4.1. For an application, students must access the website http://www.dac.unicamp.br/portal/, click sequentially on icons "Serviços Online", "Alunos" and "SIGA" (SIGA – Ingresso na Pós-Graduação), and follow the instructions on the page from April 10 to May 12, 2017.

4.2. The documents, described in item VII of this announcement, must be sent express mail or personally delivered by CPG, in a closed and identified envelope, according to the identification tag available in Annex I of this announcement. The deadline for delivery or posting of documents will be May 12, and should occur in the office hours: from 09h to 17h, Monday to Friday, except for direct PhD candidates which are expected to submit the documents by May 3 for commission review. The documents will not be checked at the time of delivery and if the envelope does not have identification, it will be discarded.
4.3. Incomplete documentation will result in refusal of the application, without the right to appeal.

4.4. Applications will be accepted for students whose advisors can receive new students in the Graduate Program in Internal Medicine according to the list available in Annex II of this announcement;

4.5. Students enrolled and active in the Internal Medicine Program will have an accepted application if they have a defense of the Master’s degree scheduled until July 2017, since admission to the PhD will be accepted only in the case of the conclusion of the master’s degree.

V – OF THE APPLICATION OF FOREIGN CANDIDATES

5.1. For foreign candidates residing in Brazil, the selection process will be the same as for the Brazilian candidates;

5.2. For foreign candidates who are not resident in Brazil, the selection process will take place as follows:

5.2.1. The target audience is the same as the post in item II of this announcement;

5.2.2. The candidates will apply for the same vacancies set forth in this announcement, as in item III;

5.2.3. The applications must be made according to the item IV of this announcement;

5.2.4. The documents of item VII of this announcement must be sent;

§1. The presentation of the documents of items 7.1 and 7.17 will be dispensed with;

§2. If the candidate is a native of a country that has English as a native language, the candidate is exempt from submitting the document of item 7.6;

§3. The documents of item 7.10 and 7.11 must be replaced by a copy of the identification pages of the passport;

§4. It is in force in Brazil, the Convention of the Hague Apostille - https://www.planalto.gov.br/ccivil_03/ato2015-2018/2016/decreto/d8660.htm - which eliminates the requirement of legalization of foreign documents by consular offices Brazilian abroad to countries signatories to the agreement. To take effect in Brazil, foreign documents must be accompanied with the booklet, which should be obtained from the competent body in the country of origin of the document - http://www.cnj.jus.br/poder-judiciario/relacoes-internacionais/convencao-da-apostila-da-haia/paises-signatarios . Legalized documents only by Brazilian consular office will be valid in the country until 14 February 2017. For non-signatory countries of the agreement, it remains the requirement of consular legalization. Besides the legalization documents issued presented abroad must follow the official translation as Decree No. 13.609 (of October 21, 1943, Chapter III, Article 18). Exceptions: documents issued in France are exempt from the procedures for legalization and official translation, depending on the agreement with Brazil - http://www.planalto.gov.br/ccivil_03/decreto/D3598.htm; documents issued in Argentina may have the authorization of his Chancellery as an alternative to legalization, because according to Brazil - http://www3.bcb.gov.br/sisorf_externo/manual/11-01-020-001.htm; §5. The document of item 7.4 must be replaced by a copy of the diploma of graduation with the respective Hague apostille or duly legalized by Brazilian consular office.

5.2.5. The selection process will consist of a single step according to item 8.2 of this announcement;

5.2.6. The final note of the selection process will be given according to item IX of this announcement, disregarding the note of the test that will not be performed;
5.2.7. The appeals must follow the provisions of item 10.2 of this announcement;

5.2.8. The call for enrollment will follow the provisions of item XI of this announcement;

VI – OF THE APPLICATION TO DIRECT PhD
6.1. For those candidates with proven scientific experience, evidenced by articles published as first author in journals of international circulation, but without the title of previous Master’s degree, at the discretion of the Committee of the Graduate Program in Internal Medicine, it may be allowed the enrollment in the PhD.

6.2. Criteria for direct PhD selection:
   6.2.1. Have published or accepted for publication at least one article in the last five years in international journals with impact index ≥ 1.0, in English, as the first author.

6.2.2. The supervisor has a project funded, related to the candidate's thesis, with a scholarship perspective.

6.2.3. Present at the Secretariat from April 10 to May 3: In addition to the documents cited in item 4, a copy of the articles published or accepted and the direct registration form signed by the future advisor available in Annex III of this announcement;

6.2.4. The approval of the direct PhD registration will be announced on the website until May 11; The rejected applications may, at the discretion of the candidate, continue in the selection process for the master's degree.

VII – OF DOCUMENTS FOR APPLICATION
7.1. Check list available in Annex IV of this announcement;

7.2. Completed and signed application form, without abbreviations, available only during the registration period on the link: www.dac.unicamp.br/portal/servicos_online/alunos/;

7.3. Letter of acceptance of the future advisor; (Form available at http://www.fcm.unicamp.br/fcm/ensino/pos-graduacao/formularios );

7.4. 02 copies (one authenticated in a notary's office), of the diploma of the Undergraduate Course registered in the MEC (front and back) - only duly registered diplomas with national validity will be accepted;

7.5. 01 copy of the School History of the Graduation Course;

7.6. 01 copy, certified in registry or with digital certification, proof of Proficiency in English: TEAP (Test of English for Academic Purposes - http://www.teaprime.org/) certificates will be accepted, with a minimum score of 7.0; Or TOEFL: minimum score of 550 for the Paper-Based-Test (PBT) or for the Institutional Testing Program (ITP), 80 points for Internet-Based-Test (IBT); Or IELTS: minimum score of 5.0; Or CEL (Center for the Teaching of Languages of UNICAMP) score of at least 5.0;

7.6.1. Candidates who have completed a Master's Degree at UNICAMP or other Universities must present a simple copy of the Master's academic record where proof of English proficiency is obtained, in which case one of the certificates above is not required.

7.7. 01 simple copy of the candidate's Curriculum Vitae (model CNPq / Plataforma Lattes: http://lattes.cnpq.br); Other types of Curriculum Vitae will not be accepted;
7.8. 01 simple copy of certificates of scientific initiation, medical residency, specialization or improvement course, internships lasting more than six months, papers presented at scientific events and publications in scientific journals. Note that these activities must be certified by certificates;

7.9. Candidates who have taken a course at UNICAMP, as special students of the Graduate Program in Internal Medicine, must submit a simple copy of the academic record that contains the discipline (s) That it is requested to use them;

7.10. 02 copies (one notarized) of the RG; Other documents that substitute the RG will be accepted provided they contain the number of the RG with digit, date of issue of the RG, issuing body and issuing State;

7.11. 02 simple copies of the CPF or Cadastral Status Record in the CPF withdrawn from the federal revenue website. For candidates where the CPF number in the RG is included, the presentation of copies of the CPF is dispensed with;

7.12. 02 copies (one authenticated in a notary’s office), the Birth Certificate or Marriage Certificate;

7.13. 01 recent 3x4 photo with identification on the back (RA for those who already have Academic Record);

7.14. 01 copy of the Term of Information and Responsibility on vaccines duly signed by the candidate (form available at http://www.fcm.unicamp.br/fcm/ensino/pos-graduacao/formularios);

7.15. 01 simple copy of the vaccination card, if you do not have it, send a document justifying the absence;

7.16. 01 copy of the research project linked to the Program’s Research Line, containing: Title, abstract with up to 250 words, 03 keywords; Introduction; Goals; Material and Method; References; Schedule of activities; Typed in up to 30 pages (A4), including bibliographical references, font Arial 11, space 1.5;

7.17. Submission protocol to corresponding Ethics Committee (FCM or IB / UNICAMP). At enrollment the candidate must have approval of the project by the Ethics Committee;

VIII.- OF THE SELECTION PROCESS
8.1. FIRST STAGE:

8.1.1. Written Test - Require basic knowledge (reading) of the English language, use of text editor and spreadsheet (Excel), elaboration of tables and graphs. It will also require basic knowledge about the design of your research project.

§1. The test is waived to the candidates who were / are students of masters of the program in Internal Medicine of FCM;

8.1.2. The test is of an eliminator and classificatory character, will be composed of 14 descriptive questions;

8.1.3. The test will last 3 hours;

8.1.4. The written test date will be May 24 or 25 in the Informatics Laboratory of the Graduate Committee, according to the list that will be released until May 19;

8.1.5. The minimum passing grade for the second stage is 6.0.

8.1.6. The disclosure results of the first stage and scheduling of the arguments will occur until June 2. The results will be published on the website: http://www.fcm.unicamp.br/fcm/pos-graduacao-em-clinica-medica/processo-seletivo
8.1.7. Will be excluded from the Selection Process the candidate that beyond those provided in this announcement:
a) Arrive after the established time for the beginning of the written test;
b) Not attend the written test, whatever the reason given;
c) Is surprised in communication with other people;
d) Is with the cell phone connected or making use of any kind of electronic and communication equipment (pager, palm top, clock with calculator, scientific calculator, tablet, electronic point and others), unauthorized books and notes or printed;
e) Use other illicit means to perform the test;
f) Is wearing a hat, hat or cap and sunglasses;
g) To disturb, in any case, the order of the written test;

8.2. SECOND STAGE

8.2.1 Arguing and Analysis of Curriculum and Projects: June 21 or 22, in the Yellow Room of the Building of the Graduate Committee of the School of Medical Sciences of UNICAMP, located at Rua Tessália Vieira de Camargo, 126, Cidade Universitária Zeferino Vaz - Distrito de Barão Geraldo - Campinas - SP. The complaint will be exclusively for candidates whose names appear on the list presented at the time of the partial results on the program page on the FCM website.

8.2.2. The research project will be evaluated during the arguing: the candidate's knowledge about the research project, the candidate's Curriculum Vitae (scientific initiation, medical residency, specialization or improvement course, internships lasting more than six months, papers presented in scientific events and publications in scientific journals) and the Curriculum Vitae of the advisor (line of research consolidated by publications in periodicals with selective editorial policy and compatible with those defined in the program and obtaining financing in the form of scholarship for students, scholarship productivity and Research aid obtained from public or private development agencies).

IX – OF THE FINAL SCORE, THE RESOLUTION CRITERIA AND CLASSIFICATION.

9.1. The final grade will be composed of the arithmetic mean of the First and Second Stage notes.

9.2. The minimum grade for the candidate to be considered approved in the selection process is 6.0.

9.3. In case of equality in the final score, preference will be given to the classification effect, successively, the candidate:

9.3.1. With an age equal to or greater than 60 (sixty) years, under the terms of Federal Law no. 10.741 / 03, among themselves and against the others, and preference will be given to the one of higher age;

9.3.2. Who scores higher in the first stage;

9.3.3. Who scores higher in the second stage;

9.3.4. Is older among the candidates under the age of 60 (sixty).

9.4. The final results will be announced by June 30 through the website http://www.fcm.unicamp.br/fcm/pos-graduacao-em-clinica-medica/processo-seletivo
X – OF APPEALS

10.1. OF THE FIRST STAGE

10.1.1. The deadline for filing an appeal shall be two (2) business days, counted from the date of disclosure or the fact that gave rise to it;

10.1.2. Interposed appeals delivered outside the deadlines stipulated in this announcement will not be accepted;

10.1.3. The appeal must be duly substantiated and contain: name, registration number, identity card number, supervisor's name, full address, telephone number (s) and contact email, questioning, local background, date and signature, In accordance with Annex V; And should be sent to the e-mail pgclmed@fcm.unicamp.br or delivered personally, in 2 (two) copies of the same content (original and copy), at the reception of the Graduation Committee – School of Medical Sciences - Unicamp, Rua Tessália Vieira de Camargo, 126 - Cidade Universitária "Zeferino Vaz" - Campinas-SP - CEP 13083-887 respecting the opening hours: from 09h to 17h.

10.1.4. The response to the appeal shall be published on the http://www.fcm.unicamp.br/fcm/pos-graduacao-em-clinica-medica/processo-seletivo Within two (2) business days from the filing date;

10.1.5. If the appeal is filed within the specifications, it may, if necessary, change the initial grade / classification obtained by the candidate to a higher or lower grade / grade or the disqualification of the candidate who does not obtain the minimum grade required for approval second stage;

10.1.6. If, from the evaluation of appeal, result in cancellation of question, the corresponding score will be credited to all the candidates present in the event, regardless of whether they have traveled;

10.1.7. The appeal filed outside the form and deadlines stipulated in this announcement shall be dismissed;

10.1.8. In no case, will be accepted request for review of appeal and / or appeal and final result of the test;

10.1.9. There will be, in no case, views of the test.

10.2. OF THE SECOND STAGE

10.2.1. The deadline for filing an appeal shall be two (2) business days, counted from the date of disclosure or the fact that gave rise to it;

10.2.2. Interposed appeals delivered outside the deadlines stipulated in this announcement will not be accepted;

10.2.3. The appeal must be duly substantiated and contain: name, registration number, identity card number, supervisor's name, full address, telephone number (s) and contact email, questioning, local background, date and signature, In accordance with Annex V; And should be sent to the e-mail pgclmed@fcm.unicamp.br or delivered personally, in 2 (two) copies of the same content (original and copy), at the reception of the Graduation Committee – School of Medical Sciences - Unicamp, Rua Tessália Vieira de Camargo, 126 - Cidade Universitária "Zeferino Vaz" - Campinas-SP - CEP 13083-887 respecting the opening hours: from 09h to 17h.
10.2.4. The response to the appeal shall be published on the [http://www.fcm.unicamp.br/fcm/pos-graduacao-em-clinica-medica/processo-seletivo](http://www.fcm.unicamp.br/fcm/pos-graduacao-em-clinica-medica/processo-seletivo) Within two (2) business days from the filing date;

10.2.5. If the appeal is filed within the specifications, it may, if necessary, change the initial grade / classification obtained by the candidate to a higher or lower grade / grade or if the candidate who does not obtain the minimum grade required for approval is disqualified;

10.2.6. The appeal filed outside the form and deadlines stipulated in this announcement shall be dismissed;

10.2.7. In no case, will be accepted application for review of appeal and / or appeal and final result;

XI – OF CALL FOR ENROLMENT

11.1. The call for enrolment will be given among the approved candidates respecting the number of places published in item 3.1 of this announcement;

11.2. The final classification will be published on the website [http://www.fcm.unicamp.br/fcm/pos-graduacao-em-clinica-medica/processo-seletivo](http://www.fcm.unicamp.br/fcm/pos-graduacao-em-clinica-medica/processo-seletivo), until July 7, which will include the final classification of candidates and The dates and place for enrolment. It is the responsibility of the candidate to follow up the publication, and it can not be claimed any kind of unfamiliarity.

XII – OF THE SCHOLARSHIPS

12.1. The program does not guarantee the granting of institutional grants (CAPES and CNPq) for all students approved in the selection process. It is recommended that candidates apply for scholarships to FAPESP or to the other funding agency.

12.2. CRITERIA FOR SCHOLARSHIPS

12.2.1. A scholarship application must be submitted with justification by the advisor and student upon admission. The interest for the scholarship must be expressed through the Program Coordination Office and forwarded to the Secretariat of the Graduate Program in Clinical Medicine;

12.2.2. The scholarship assignment will follow the student's classification in the Selective Process, in accordance with the scoring criteria presented previously. The evaluators will have a spreadsheet with defined criteria and scores, avoiding subjectivity;

12.2.3. The student should be regularly enrolled in the program and will have preference the one with full dedication to the Program and that does not have employment relationship;

12.2.4. Upon the availability of the scholarship, the student will be contacted, who will have 3 days to express agreement. If there is no manifestation of interest, the indication will be passed to the next student in the classificatory list;

12.2.5. Late or exceptional situations will be analyzed by the Commission of the Graduate Program in Clinical Medicine;

12.2.6. The student must submit an annual report of the research project's progress activities; A suspension of the scholarship may occur if the activity report is considered insufficient by the Graduate Program Committee.
XIII – OF THE GENERAL PROVISIONS

13.1. There will be summary exclusion of the candidate when:
   13.1.1. For it is verified inaccuracy of any information provided by the candidate during the Selection Process;
   13.1.2. There is the absence of the candidate in any of the stages, whatever the claim;
   13.1.3. Failure to appear on the date of convocation to enrolment.

13.2. No certificates or certificates related to the classification or punctuation will be provided;

13.3. The items in this Notice may be subject to possible updates and / or corrections, as long as the action or event that concerns them is not consummated, a circumstance that will be published by the website http://www.fcm.unicamp.br/fcm/pos-graduacao-em-clinica-medica/processo-seletivo, which is why the candidates must follow the publications, and can not be claimed any kind of unfamiliarity..

13.4. The School of Medical Sciences - UNICAMP exempts itself from travel expenses and stays of candidates for attendance in any of the phases of this Selection Process.

13.5. The School of Medical Sciences - UNICAMP is not responsible for the disqualification of the candidate due to:
   13.5.1. Deadlines;
   13.5.2. Address not updated, difficult to access and / or third parties;
   13.5.3. Correspondence returned for various reasons;
   13.5.4. Correspondence received by third parties;
   13.5.5. Objects that are forgotten and / or damaged at test sites;
   13.5.6. No receiving communications via email.

13.6. All mention of the timetable in this announcement and in other acts resulting from it shall be based on the official timetable for Brasilia.

13.7. The cases not provided for in this announcement will be judged by the Internal Medicine Program Commission and the Graduation Committee of the School of Medical Science - UNICAMP.
CALENDAR

Apply: April 10 to May 12, 2017, for the master's and PhD; and from April 10 to May 3, for the Direct PhD;

Written test: May 24 or 25, Laboratory of Informatics of the Graduation Committee;

Result of written test: June 2;

Arguments and Curriculum Analysis and projects: June 21 or 22;

Final Result: Partial until June 30, 2017 and
Final until July 7, 2017;

Enrolment and delivery of passwords for registration in disciplines (online): July 12, 13 and 14, 2017.
